

Parties, Functions & Events at Aberfeldy

Welcome

Our Family welcomes you to Aberfeldy Barn

Aberfeldy Barn is a family operated business. Your hosts Cass and Tony purchased the 50-acre property in 2016 from a gorgeous Scottish/Irish couple who called it their 'little piece of paradise'. They named it 'Aberfeldy' after the town of Aberfeldy in Scotland that they had visited and fell in love with along with the smooth Aberfeldy Scotch Whiskey that is distilled there.

With the stud Speckle Park cattle, the wandering Guinea Fowl and the gentle Hills of Aberfeldy ([click here](#) to listen to Ed's song) the entire property makes for a lovely ambience for any event.

This unique venue offers everything you require to create your perfect event. Cass and Tony ensure their guests are provided with the best services, local knowledge, and collaborations with talented and experienced photographers, caterers, stylists and any additional services you may desire for your special occasion.

"A wee piece of paradise ..."
